

WestlawNext®

Westlaw Commercial/UCC Practitioner: In step with your practice.

Commercial/UCC Practitioner was built on what you told us you need – for your workflow, your tasks, your need for strategic information. Easily access the resources that will save you time and work, every step of the way, including:

- Expert commentary on UCC and commercial law issues from more than 30 treatise titles, such as the Hawkland UCC Series, White and Summers, and Anderson
- Current UCC developments from UCC Bulletin and UCC Law Letter
- Reporting on significant commercial law cases from Westlaw Journals
- Commercial law forms – searchable by UCC article

WestlawNext Advantages

WestlawNext® builds on Westlaw's strengths to bring you the next evolution of legal research. Now searches are even more intuitive and efficient; results are even more inclusive and relevant. So you'll have confidence like never before that a simple word search delivers the documents you need.

- **Dramatically improved search** with WestSearch™, the world's most advanced legal search engine. A query of simple descriptive terms searches all Westlaw® content – no need to pick a database or use precise search terms – and displays the most relevant results first. You can narrow results by document type, jurisdiction, date, and other criteria.
- **Easier to use**, thanks to a clean, intuitive design with a customizable display and quick-read visual indicators that help you track your research.
- **Organize more efficiently** by dragging and dropping documents into research folders, highlighting text, adding research notes, and more.
