

Legal Resources for Law Enforcement

Westlaw offers Legal Resources for Law Enforcement, a library of databases designed to keep you current on criminal laws, and the issues surrounding them.

Content includes:

- **Criminal Codes** – Criminal justice statutes from your state and from *United States Code Annotated*[®]; motor vehicle codes and more
- **Criminal Caselaw** – Criminal justice court decisions from your state's courts; the U.S. Supreme Court, Court of Appeals and District Courts, and more
- **Law Enforcement guides** for:
 - Criminal law and procedure
 - DWI and Bureau of Alcohol, Tobacco and Firearms
 - Homeland security
 - Immigration
 - Police misconduct
 - Search and seizure and warrants
- **News** – U.S. newspapers, news magazines, and FBI Law Enforcement Bulletin

More legal references for officers, departments, and government agencies

American Jurisprudence

Quickly find authoritative answers to any aspect of civil, criminal, substantive, and procedural law in *Am Jur*[®] online. Even if you are unfamiliar with a particular area of the law, these articles quickly illustrate the underlying principles and present you with a range of arguments and authorities.

Criminal Procedure, 3rd

This in-depth guide analyzes every stage of criminal procedure, including investigation of crime, commencement of formal proceedings, the adversary system, determination of guilt and innocence, and postconviction review.

Homeland Security Information

This title brings together the most important homeland security and anti-terrorism laws, regulations, and administrative materials.

LaFave's Search and Seizure, 4th

One of the nation's foremost authorities on the Fourth Amendment provides a systematic and comprehensive analysis of the entire range of contemporary Fourth Amendment issues.

Wharton's Criminal Law

Provides a general overview of criminal law principles along with an analysis of the substantive criminal law in both state and federal jurisdictions.

Keep current and informed with Quinlan's newsletters

Investigative Stops Law Bulletin

Learn the best way to execute stops, perform risks and patdowns so you can turn your arrests into convictions.

Law Enforcement Employment Bulletin

Practical news you can use immediately – emerging management trends, valuable tips and techniques, innovative management strategies from your peers, proven problem-solvers, and more.

National Bulletin on Domestic Violence Prevention

The latest updates, proven success strategies, and insightful commentary – find out what's working in law enforcement agencies and treatment centers around the country.

Computer Crime and Technology in Law Enforcement

Designed for police officers and investigators who deal directly or indirectly with crimes involving computers. It addresses fraud, identity theft, child pornography, and other offenses, and explains the most effective cyber-investigative techniques.

Search and Seizure Bulletin

Ensure your department is up to date on the latest laws, procedures and court rulings so that

your search is legal and your evidence admissible in court.

Arrest Law Bulletin

Find the critical information you need to make sure your arrests, interrogations, and evidence hold up in court.

Police Department Disciplinary Bulletin

This publication provides analysis of current federal and state cases on police disciplinary practices, plus suggested action plans.

Narcotics Law Bulletin

Making your narcotics arrests stick every time is challenging. This bulletin helps you prevent failures, with information on surveillance equipment, recording devices, searches during traffic stops, constructive possession, undercover operations, intent to distribute, and more.
