

Westlaw® Subscriber Agreement for FEDLINK Members

AGREEMENT entered into between _____ (“Subscriber”) and **WEST, a Thomson Reuters business** (“West”) regarding Westlaw, online legal research service, as follows:

1. FAR Applicability. All of the terms and conditions set forth below are subject to and governed by the language of FAR clause 52.212-4 (Contract Terms and Conditions - Commercial Items). In the event any language in the terms and conditions of this Agreement conflicts with the governing FAR clause, such FAR clause takes precedence over the language of this Agreement.

2. License.

a. Grant. Subscriber is granted a non-exclusive, non-transferable, limited license to access Westlaw. Westlaw consists of various West-owned and third party content, services, functions and remotely-accessed gateways (collectively “Features”) which may change from time to time. Access to certain Features may be restricted. Subscriber is licensed to use data made available through Westlaw (“Data,” which includes “Downloaded Data” as defined below) solely in the regular course of legal and other research and related work. Certain Features are licensed subject to paragraphs 3 through 5 or subject to “Additional Terms” (as defined below), all of which take precedence over the license granted in this paragraph. Except as otherwise provided, the license includes the right to download and temporarily store insubstantial portions of Data (“Downloaded Data”) to a storage device under Subscriber’s exclusive control solely (i) to display internally such Downloaded Data and (ii) to quote and excerpt from such Downloaded Data (appropriately cited and credited) by electronic cutting and pasting or other means in memoranda, briefs and similar work product created by Subscriber in the regular course of its research and work. Subscriber may also create printouts of Data for internal use and for distribution to third parties for purposes that are consistent with the terms and conditions of this Agreement if such third parties agree not to further distribute the printouts. Subscriber may, on an occasional basis and via Westlaw functionality, direct West to transmit individual documents in electronic format to individual internal user(s). Direct transmission of electronic copies by Subscriber is prohibited, except as provided in the electronic brief terms of paragraph 3 herein.

b. Limitations. Subscriber may not copy, download, scrape, store, publish, transmit, retransmit, transfer, distribute, disseminate, broadcast, circulate, sell, resell or otherwise use the Data, or any portion of the Data, in any form or by any means, except (i) as expressly permitted by this Agreement, (ii) with West’s prior written permission, or (iii) if not expressly prohibited by this Agreement or by the “Additional Terms”, as allowed under the fair use provision of the Copyright Act (17 U.S.C.A. § 107). Downloaded Data shall not be stored or used in an archival database or other searchable database except as expressly permitted by this Agreement or as quoted in Subscriber’s work product. Subscriber shall not sell, license, sublicense or distribute Data (including printouts and Downloaded Data) to third parties or use Data as a component of or as a basis for any material offered for sale, license or distribution.

c. Rights in Data. Except for the license granted in this Agreement, all rights, title and interest in Data, in all languages, formats and media throughout the world, including all copyrights, are and will continue to be the exclusive property of West and other contributors (“Contributors”).

d. Additional Terms. Certain third-party Features are governed by terms and conditions which are different from those set forth in this Agreement (“Additional Terms”). Subscriber will be given an opportunity to review Additional Terms by receiving notice of such Additional Terms online.

3. West Proprietary Data. Subscriber may, via Westlaw functionality, direct West to transmit West-proprietary documents (i.e., documents not licensed by West from third parties) in electronic format to internal user(s) or to a third party who is an individual if such third party agrees not to further disseminate such documents. Subscriber acknowledges its responsibility in assuring compliance with the foregoing by any third party to whom Subscriber transmits West-proprietary documents pursuant to the preceding sentence. Direct transmission of electronic copies by Subscriber is prohibited, except as provided in the electronic brief terms set forth herein. West further grants a non-exclusive, non-transferable, limited license to individual Westlaw users within Subscriber entities to store and use West-proprietary Downloaded Data (as defined above) in a searchable database maintained in connection with an ongoing project of the user (“Project Database”). Such database must consist preponderantly of users’ work product with access limited to those internal users actively working on the project. The West-proprietary Downloaded Data may be maintained in the Project Database so long as the project remains active or until any termination of this Agreement, whichever occurs first. Retention of Downloaded Data in a Project Database after the project ends, in

an archival database as used as a research tool or in a database accessible to external users is prohibited. West further grants to Subscriber a limited, non-exclusive, non-transferable license to include West-proprietary Downloaded Data in briefs prepared for a specific cause of action for a specific court in an electronic format. Distribution or dissemination of such West-proprietary Downloaded Data in connection with or as part of a brief is limited to the court before which the cause of action is to be heard, the parties to the cause of action, or their representatives. Any further distribution is prohibited without written permission of West. West-proprietary Downloaded Data included in such briefs must retain West copyright notices and indicate that use of, distribution and dissemination to the permitted parties is with the permission of West.

4. West Legal Directory™. Subscriber may use Data contained in West Legal Directory (“WLD”) internally in the regular course of Subscriber’s business. Subscriber may also create printouts of insubstantial portions of Data consisting of individual WLD listings or selected names and addresses for its own use. Use of WLD to create mailing or marketing lists for commercial purposes or for distribution to third parties is prohibited.

5. Usage Restrictions and Information Protection

a. Use of Westlaw Data. Subscriber shall not use any Data and shall not distribute any Data to a third party for use in a manner contrary to or in violation of any applicable federal, state, or local law, rule or regulation. West is not a consumer reporting agency, and Subscriber certifies that it will not use any Data as a factor in establishing a consumer’s eligibility for credit or insurance to be used primarily for personal, family, or household purposes, for employment purposes or for any other purpose authorized under section 1681b of the Fair Credit Reporting Act (15 U.S.C.A. § 1681b). Subscriber acknowledges that access to certain Data available on Westlaw, including but not limited to credit header Data, motor vehicle Data, driver license Data, and voter registration Data is regulated by state or federal laws, such as the Gramm Leach Bliley Act (“GLBA”), the Driver’s Privacy Protection Act (“DPPA”), or other state or federal laws and regulations, or is subject to Contributor restrictions. Subscriber agrees not to access such Data for any purpose that is not allowed by the GLBA, by the DPPA, by any other applicable state or federal laws or regulations, or that is contrary to Contributor restrictions. West retains the right to temporarily or permanently block access to certain Data if West, in its sole discretion, believes that the Data may be used for an improper purpose or otherwise in violation of the terms of this Agreement, or that the terms of West’s Contributor agreements requires West to block such access. By accessing Data, Subscriber acknowledges that from time to time, West and its Contributors and/or various government entities may require Subscriber to identify a permissible use and may inquire as to Subscriber’s compliance with applicable laws or this Agreement. Subscriber agrees to cooperate with any inquiry, subject to any attorney-client confidentiality. Subscriber shall report to West any misuse, abuse, or compromise of Data of which Subscriber becomes aware.

b. Protection of Personal Information. West and Subscriber acknowledge that both parties may be required to comply with various privacy and security requirements, including but not limited to those set forth in paragraph 4.a. above, the European Union Directive on Data Protection (95/46) and all other applicable legal directives and applicable industry standards (collectively “Privacy Laws”) pursuant to which each party wishes to obtain certain undertakings from the other with regard to the use and protection for the Personal Information of either party. For purposes of this Agreement, “Personal Information” shall refer to, without limitation, the following types of information: name, address, e-mail address, age, date of birth, telephone number, fax, social security number or equivalent or similar government identification numbers, credit/debit card information, bank account information, logins, passwords, or medical or health records of an identifiable human being. Each party shall be responsible for any collection, access, use and disclosure of Personal Information subject to this Agreement. Without limiting the foregoing, each party shall employ appropriate administrative, physical, and technical safeguards in order to sufficiently protect the Personal Information and any information assets and resources in question. Each party shall promptly notify the other of any event that may result in the unauthorized collection, access, use, or disclosure of Personal Information subject to this Agreement (“Information Protection Incident”). The parties shall make reasonable efforts to assist one another in relation to the investigation and remedy of any such Information Protection Incident and any claim, allegation, action, suit, proceeding, or litigation with respect to the

unauthorized access, use, or disclosure of Personal Information. Furthermore, any access to or use of Personal Information must be in accordance with all applicable law. No individual shall access records that require a permissible purpose unless such a purpose exists for such individual. For purposes of its obligations hereunder, any acts or omissions by the personnel of each party shall also be deemed to be the acts or omissions of West and/or Subscriber, respectively.
