

WESTLAW COURT WIRE.

Helps you move fast, when time is of the essence.

LEARN ABOUT NEWLY FILED LAWSUITS – HOURS, DAYS OR EVEN **WEEKS** FASTER!

Gain valuable extra time to analyze new cases – **and act!**

Westlaw Court WireSM alerts you to newly filed lawsuits **the same day they are filed** – or within **minutes**, if you prefer!

Early awareness of newly filed lawsuits gives your firm a vital edge in protecting your clients' interests.

You gain valuable extra time to research the law and facts of a case, prepare a proper response, and start building a sound defense.

At the same time, you're building up the trust and goodwill of clients, who appreciate the fact that you are closely minding their interests.

More than just messengers – editors!

Every day, our editors monitor 135 key state and federal courts for new filings.

But they do more than simply retrieve cases.

Our editors write brief synopses of key legal issues in complex cases. So you can see almost immediately – without reading an entire complaint – whether the case merits your attention.

The cases you want to know about ...

With Westlaw Court Wire, you have the flexibility to choose the types of cases you want reported. You elect to receive reports of cases based on any combination of:

- NOS codes
- Case type
- Party
- Key words
- Court

... delivered the way you want to receive them.

With Westlaw Court Wire, you also have the flexibility to choose the delivery method(s) you prefer:

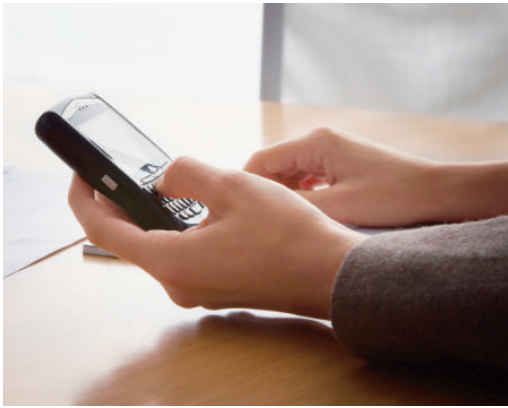

- **Daily email newsletter**, reporting all the day's filings that meet your criteria
- **Continuous notifications**, delivered as soon as a case has been filed and our editor has completed a synopsis of a complex case
- **Delivery to any mobile device**
- **Delivery to Westlaw tab**
- **RSS Feed**

Flexible pricing

Your Westlaw Court Wire fixed-rate plan will be tailored to your firm's needs, based on coverage and delivery preferences. It will cover your entire firm – and it will be billed along with the rest of your Westlaw[®] plan.

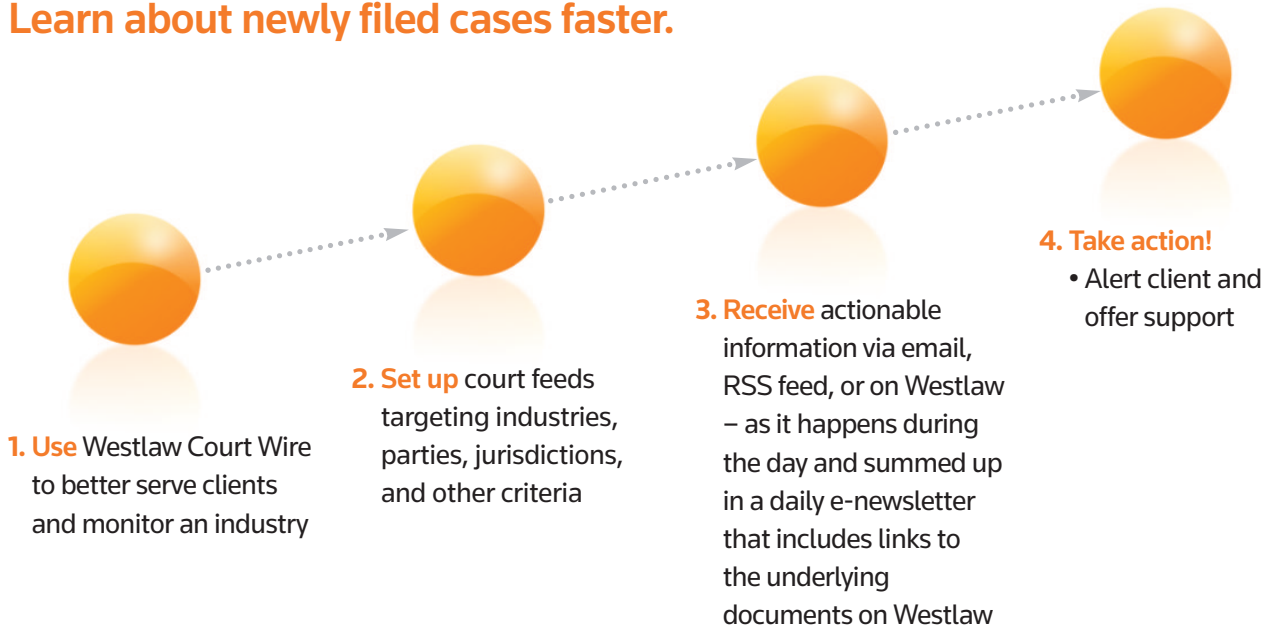

Integrated with underlying information on Westlaw.

Westlaw Court Wire notifications include links to the full text of the underlying complaint and court docket. So you can continue to monitor cases of interest as they progress.

Stay ahead of the game with immediate feeds, sent as soon as a Westlaw Court Wire editor gathers new case information – and writes a summary, if applicable.

Learn about newly filed cases faster.

Since Westlaw Court Wire feeds can be **sent to your mobile device**, you can instantly read about new filings wherever you are, whatever you're doing!
