Licensing Information

Use of *Cowles Estates Practice System* products is governed by license agreement. The following information is not intended to modify that agreement in any way; nor does it set forth the terms of the license agreement exhaustively. Please review the license agreement for additional information.

A subscription to *Cowles* constitutes a license to use the *Cowles* product during the subscription term, as set forth in the license agreement. Upon termination of a subscription and the license agreement, the license to use the product ends.

Current subscribers may view the license agreement from within the product at any time from the **Help** menu by searching for "software subscription agreement." The license agreement is also available online at <http://west.thomson.com/cowles>.

License Extensions/Subscription Renewals

Cowles subscriptions renew automatically until a user cancels the subscription by contacting West. Within the *Trust Plus* and *TrusTerminator* software, licenses are issued for one-year terms. Thirty days prior to the end of the term, users will receive a prompt to extend the license by contacting West to obtain a new activation code.
