

<b>ImmForms Plus - Form Currentness Table</b>				
Form numbers below link to the agency location for a form: generally the agency's form table. This table was updated 05/18/12; forms released by their issuing agencies since the prior update on 05/08/12 are shown in red.				
We encourage you to check the USCIS and other agency Web sites regularly for updated forms and filing information.				
Form	Most recent version	Is the most recent version in ImmForms? 5.9 Form Update 4 reflects the following:	If not, when estimated? The 6.0 CD is the next release and will not include new forms; the timing of 6.0 Form Update 1 is TBD.	If the most-recent version of the form is not in ImmForms is the version in ImmForms still valid, per the issuing agency's Website? A "Yes" alone, indicates that all prior versions are valid; anything more specific indicates that only specific prior forms are listed as valid.
