## CASE EVALUATION

### Westlaw Litigator®

puts comprehensive litigation resources in one location, offering access in a single click. It includes resources that support you at every stage of the process – beginning with tools to evaluate the legal and economic merits of a case all the way through the appellate process. In one place you have legal briefs, jury verdicts, caselaw, analysis such as ALR®, trial documents and more. You can quickly find what you need with a template-driven search, then drill down into deeper, more specific content. Because all of this resides on the Westlaw® platform, you can start anywhere in the research stream – with a brief, a case, a KeyCite® citation – and link\* to all on-point content by following embedded links. One search.

**One location.**

\* Linking may involve additional charges based on Westlaw plan inclusion. Please check your plan for your specific charges.
